

Jackpot 1, 2, 3, 5 & C

Start Jump Bi Directional

Point Values:

- 1 pt.- Jumps
- 3 pts.-Weaves, Tunnel, Double
- 5 pts.-A-Frame, Teeter, Combo

Everything may be done twice successfully for points in the opening and twice more in the closing, back-to-back is fine as long as it is done safely.

During the Opening doing a tunnel from behind the line doubles the next Obstacle Value. That would include doing the same tunnel.

The Finish Jump is not live until after the first buzzer BUT if a team wants to end their run early they may do so by directing their dog to the Finish Jump. The Finish Jump is Bi-Directional. The Finish Jump has no value.

In order to Q a team must:

- 1-Accumulate enough points for their level
- 2-Get to the finish jump without going over time.

Remember- In Jackpot the second buzzer doesn't sound until you are 6 seconds over time, but if you're one full second over time you have NQd.

Total Points needed to Qualify

	Reg/Vet	Spec/Enth
Level 1	32 points	30 points
Level 2	36 points	34 points
Level 3	40 points	38 points
Level 5/C	44 points	42 points
