 You must start with the start jump.
 Everything may be done twice successfully for points,
 Jumps 1 points

Your mission: Build the perfect taco by gathering ingredients , divided into three sections: Shell, Meat & Salsa, and Cheese.
 Objective: In the closing collect all ingredients in order, finishing with the Cheese (Finish Jump) to complete your taco.

- 1. The Shell: Contacts**
 Start with the shell by completing at least one contact obstacle (A-Frame, Dog Walk, or Teeter worth 5 points each). No shell, no taco!
 Requirement: Collect at least one Shell before moving on.
- 2. The Meat: Fill your taco with Meat of your choice (tunnels worth 3 points)**
 Requirement: Collect at least one meat before moving on.
- 3. The Salsa: however hot you like: (jump other than the finish jump) worth 1 point each)**

You may collect more ingredients, but you must do a Shell, a Meat and a Salsa in that sequence/order at least once in the closing and successfully complete the Cheese before going over time.

Scoring:

- Shell (Contacts): 5 points each
- Meat (Tunnels/double): 3 points each
- Salsa (Jump): 1 point each

Plan strategically to gather ingredients efficiently.
 Don't miss the Cheese, but ensure you have your Shell, Meat, and Salsa first!
 Good luck and may the best taco win!
