The Sauce: A frame First time in the OPENING adds extra flavor by adding sauce! This is a bonus!

The Top Bun: Finish Jump! Seal your sandwich with the top Bun by taking the Finish Jump. Just be careful and do not put on the top bun until you have made the rest of your sandwich.

Jackpot Requirement: You need at least one Bun, Chicken, and Topping (in that order) (20 Jackpot points) and then the Top Bun before running out of time.

Strategize to collect all components quickly. You can collect extra ingredients before or after you build your sandwich.

Don't forget the Finish Jump, but ensure your sandwich is fully loaded first!

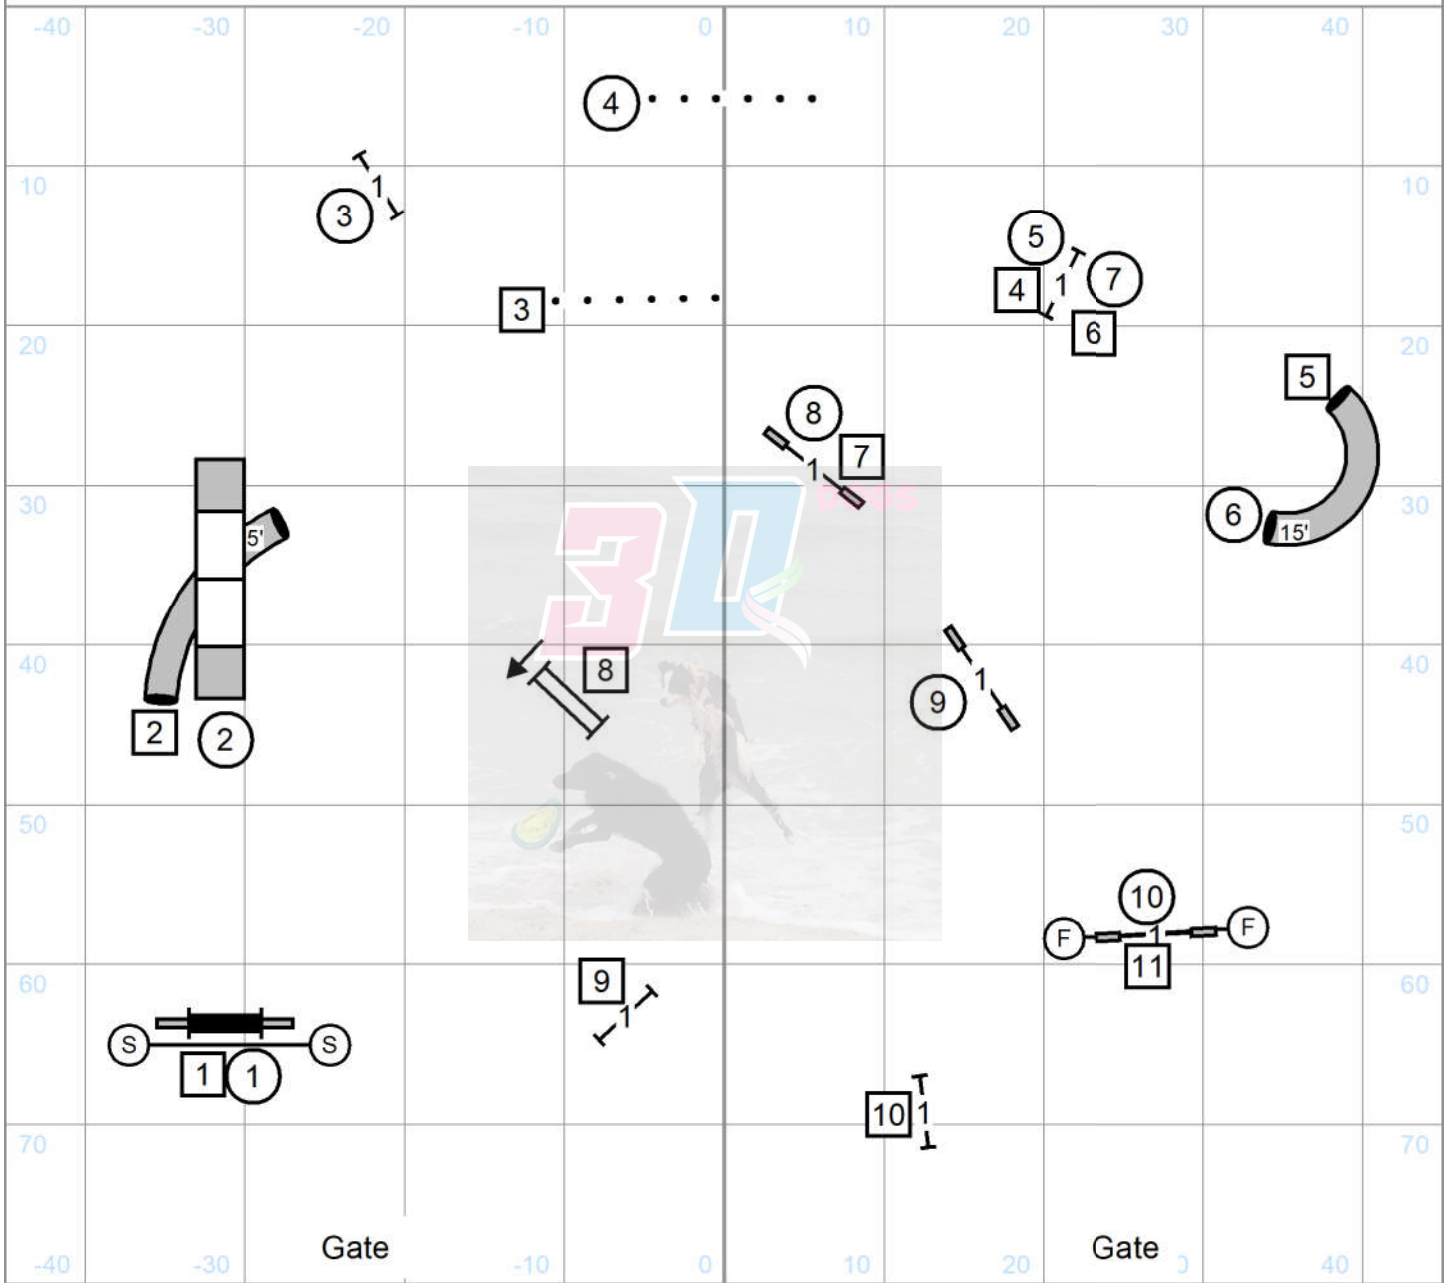

Good luck and may the best sandwich win!
